

BEYOND LIMITS, FULFILLING DESTINY

Posted on 3 May 2025

Ephesians 3:20

So many things change the course of our lives – an unjust decision, a financial setback, an unexpected situation, a needy child, a carefully laid out game plan gone astray. We like to be in control, to face challenges from a position of strength. But in

- *weakness, we see **God's sufficiency***
- *confusion, we experience **God's peace***
- *unexpected events, we learn that **God has a greater plan beyond our comprehension!***

When looked down upon by fellow man, we find our identity is really in Christ alone. He tells us we are unconditionally accepted and highly favoured.

When we are stymied from doing the great things we dreamed of, we realize life consists of greater things than our dreams. We discover that the journey is just as important as the goal. Take a look at the following lives:

- Nick Vujicic, born without limbs, discovers how he can inspire millions around the world.
- Richard Dortch, an esteemed and famous pastor, is thrown into prison unjustly and shamed, loses a world-famous TV ministry, finds an even more profound and effective ministry through the internet that saw 800 souls saved a day.
- Corrie Ten Boom, in a Nazi concentration camp, discovered there is no pit so deep that God's love is not deeper still.
- Henri Nouwen says that he saw Jesus more in his service to the emotionally challenged children in Montreal than teaching at Harvard, writing books, and doing major conferences.

Remember, the LORD Jesus Christ wants to empower you to **go beyond limits to fulfill His destiny** for your life. And don't forget that our LORD Jesus Christ can do more in a moment than we can ever do in a life time!

Making It Personal:

1. **Insight** – What is ONE new insight the Holy Spirit has given me?
2. **Conviction** – Something pierced my heart or convicted me? Take action now!
3. **Share** – Received something I want to share with someone else?
